Summary

This is a motion to have the wording of Chapter 1, Section 3, §6 - Trafficking of Sentient Species changed.

Definitions

The Stormwind Law - The current law book written by the Ministry of Justice for application of criminal justice in the Kingdom of Stormwind.

Revisions

This seems to be a printing error in the Lawbook, as it should be Sapient Species. This should be fixed as soon as possible, as the Species that walk the streets of Stormwind are not Sentient Animals, but Sapient People. With the current wording, the Law does not actually allow for the punishment of Human, Elf or Draenei Trafficking.

I would also add to this motion to change the wording of Chapter 2 - Section 2 - §8; Trading in Body Parts of Sentient Species, to also state Sapient. As the current wording would make it illegal to sell Animal Parts, including furs, pelts and meat.

1. Chapter 1, Section 3, §6 - Trafficking of Sentient Species has been reworded to Trafficking of Sapient Species.
2. Chapter 2, Section 2, §8 - Trading in Body Parts of Sentient Species reworded to Trading in Body Parts of Sapient Species.
3. The paragraphs keep their current Chapter - Section and Paragraph Number as the changes were to the wording of the law only.
4. Subsequently, in addition to changing the titles of these two paragraphs, other adjustments were made to reflect this change to other parts of the lawbook when talking about Sapient Species.
