Summary

Adding a Section 6 to Other Procedures on the topic of: Members of the Horde

Definitions

The Stormwind Law - The current law book written by the Ministry of Justice for application of criminal justice in the Kingdom of Stormwind.

Revisions

Taking the Section of Members of the Horde from "Legal Status and Rights of Peoples and Guests of the City" to also be added to Other Procedures

Would in this case be added as **Section 5 - Members of the Horde** under **Other Procedures** in **The Stormwind Law**.
